

# Sludge extraction system DN 200

## Article information

Item no.: 917809  
GTIN: 4026092035627  
Price group: 60

## Description

Sludge extraction system for suction of the accumulating sludge volume, for connection option disposal vehicle, consisting of suction pipe d:

50 mm with sludge suction funnel, 0.5 m suction hose d

General characteristics

Nominal size (DN): 200
