

EasySink sediment separator free, NS 1

Article information

Item no.: 97201/000 GTIN: 4026092026830

Price group: 60

Advantages

- Waterproof and resistant to aggressive wastewater
- Odour-tight tank
- Low-maintenance operation

Description

The sediment separator is suitable for exposed installation in frost-protected rooms. The collection tank is equipped with a removable sediment tank (NS 2 with two sediment tanks) both made of permanently resistant polymer (PE). An odour trap is installed in the outlet. An odour-tight cover with quick-release closure makes easy access possible for cleaning and maintenance work. 20 year polyethylene warranty.

Variant

Nominal size (NS):

Type of disposal: manual with suction hose

General characteristics

Material: PE

Installation situation: free-standing installation

Delivery state: Installation-ready (connection parts must be

connected on site)

Wastewater-resistant: resistant to aggressive wastewater
